Robert A. Sullivan Jr., Director

DRUG COURT DRUG TESTING PROCEDURES JULY 2005

Effective July 9, 2005 the following guidelines will be in place for those in the 5th District's Drug Court program.

- (1) All offenders will be assigned a color.
- (2) Each weekday at 7:00 am a message will be placed on the drug call in phone. The message will state the color for the day and if that is their assigned color they have from 7:30-9:30am to submit the UA. All UA's must be submitted at Community Corrections.
- (3) Saturdays, Sundays and holidays the message will be placed on the machine by 8:00 am. All UA's must be submitted at the Lyon County Sheriff's Office between 1:00-3:00-pm on Saturdays and 9:00 am and 11:00 am on Sundays.
- (4) It is the responsibility of the offender to call each day to find out the color and to report for the UA. Anyone not reporting will be treated as a failed UA. No clerical staff will have authority to excuse an offender or to allow them to defer the drop. If an offender has an issue with reporting at the times set they must talk directly with the ISO or the Director for consideration of any change.
