

## November Contest: Online Resources at the LCLL

Ok folks, here's another chance to learn about the online resources at the Lyon County Law Library and win a cool prize\*. If you've ever wondered whether the library has resources on corporate law, QDROs or zoning law, you can go to the library's website and search the online catalog. You'll find other helpful sources on our website, all from the comfort of wherever you have Internet access.

Answer these correctly for your chance to win:

1. What is the URL for the law library website?
2. True or false: the online catalog is found on the Legal Resources page
3. Name three of the online databases available in the law library
4. Give an example of an entry from the online catalog, including index number.

\*The prize—a PNY 4GB clip-on USB flash drive—will be awarded to the entry drawn from correct submissions **received by 5pm November 16**. Send your answers to the law librarian at [sgfowler@lyoncounty.org](mailto:sgfowler@lyoncounty.org) or drop off print entries at the Clerk of the District Court's office.
